PRINCE EDWARD COUNTY ADDENDUM No. 6

Date: Tuesday, March 13, 2018
Contract: 2017-EDW-76
**PICTON HEIGHTS RESERVOIR WATERMAIN IMPROVEMENTS
AND ILLUMINATED SIDEWALK**

I. DIRECTIVE

This Addendum shall form an integral part of the plans and specifications for the above-mentioned project and shall be read in conjunction therewith. This Addendum shall, however, take precedence over all requirements of the previously issued drawings, specifications, or addenda with which it may prove at variance, unless otherwise clarified by the Engineer.

II. Part A – REVISIONS TO ADDENDUM NO. 5

1. II. Part A – Instructions to Bidders – Section 2 - Tender Delivery & Opening (*pg 3 of 42*)
The NEW closing date and time for submitting tender has been extended from 2:00:00 p.m., Local Time, Thursday, March 15, 2018 to 2:00:00 p.m., Local Time, **Tuesday, June 5, 2018.**
Clarification: Additional geotechnical investigations are being undertaken for the proposed Picton watermain routing. The geotechnical information and updated contract documents will be provided in another addendum early/mid May. Other questions and items may be addressed in addenda prior to, or in the same addendum as the above.
Thank you for your continued interest.
