The Corporation of the County of Prince Edward
Amanda Carter, Director of Finance
332 Main Street, Picton, ON      K0K 2T0

B. RFP Identification

This RFP is identified as document:

Consulting Engineering Services for County Road 49 Rehabilitation RFP # 2020-EDW-56

This identification number must be mentioned on the Proposal Envelopes along with the legal name of the organization submitting a proposal.

C. Synopsis of Document

The County is seeking consulting services from qualified engineering consultants to provide engineering design services in connection with a proposal for the rehabilitation of County Road 49.

D. Processes Being Followed

- A number of consultants may be invited to submit proposals;
- RFP’s will be reviewed and evaluated by the Development Services Department;
- Following review of the submissions, the County may request Consultants to provide clarification, answer questions or attend a meeting at the Development Services office;
- RFP’s will be weighed and scored objectively through an evaluation process;
- If staff are satisfied that all aspects of the assignment have been satisfactorily addressed by the respondents, a recommendation to enter into a contract will be presented to County Council for consideration;
- Upon acceptance of a proposal by County Council, the successful respondent will be required to enter into a contract with The Corporation of the County of Prince Edward for Consulting Engineering Services for County Road 49 Rehabilitation RFP # 2020-EDW-56 using the standard MEA/CEO Agreement for professional services.
The Corporation of the County of Prince Edward reserves the right to accept any Proposal and waive what it considers minor deviances from the mandatory requirements and acceptable format.

E. Proposal Requirements

- Four (4) hard copies of the Consultant’s Technical Proposal shall be provided. One (1) hard copy of the Proposal Pricing Form must be completed, signed and sealed and provided in a separate envelope. One (1) electronic copy of the proposal on a USB drive shall be provided. Each copy of the Technical Proposal is to be bound and include a cover that clearly identifies the consulting firm responding. A table of contents should facilitate cross-references of information in the proposal. The Proposal Pricing Form and the Technical Proposals must be provided in one sealed envelope plainly marked “Consulting Engineering Services for County Road 49 Rehabilitation RFP # 2020-EDW-56”. A designated signing officer of the Consultant’s firm who has the authority to “BIND THE CORPORATION” MUST duly execute proposals. If a joint bid is submitted, it must be signed and addressed on behalf of each of the Consultants.
- Proposals must be legible, written in ink, or typewritten.
- The person signing on behalf of the company must initial erasures, overwriting or strikeouts.
- Proposal documents will not be accepted by facsimile, electronic mail, or on disk.

  - **Schedule E**: The names of all key staff to be utilized for the assignment, their background and related experience;
  - **Schedule F**: The names of sub-consultants to be utilized, their background and related experience.
  - **Schedule G**: A detailed work plan showing the allocation of hours for each segment of the assignment from the start of the project until completion of the final design and tender ready documents. This will include all staff intended to be used for the assignment along with their hourly rates of pay and disbursements.
G. General Contract for Consulting Services to be signed by Consultant

The successful Consultant will be required to enter into a contract with The Corporation of the County of Prince Edward using the standard MEA/CEO Agreement for professional services. All costs associated with the preparation and execution of such an agreement shall be the responsibility of the consultant.

H. Limitations on the Use of Sub-Consultants

Proposals must indicate if the Consultant intends to employ sub-consultants for any part of the work and identify those parts that may be sub-consulted. The successful Consultant is fully responsible for all work performed by sub-consultants.

Any Consultant who plans to use sub-consultants must identify the work that may be sub-consulted, and provide names, qualifications, and all other pertinent information about the sub-consultant in Schedule F of the quotation submission.

If there are to be any changes in sub-consultants, the County must be consulted and reserves the right to reject a proposed sub-consultant.

There shall be no assignment of the resulting contract without the prior approval of the County, which approval may be withheld at the County’s sole discretion.

I. Addenda

It may be necessary to issue addenda for reasons, which may include, but are not necessarily limited to:
- correction or clarification of the proposal document and related forms;
- extension of the closing date for the proposal;
- responses to specific questions asked by one Consultant that in the opinion of the County should be made available to all Consultants;
- retraction or cancellation of the proposal
- receipt of addenda issued by the County will be acknowledged by Consultants in writing or by fax. Failure to acknowledge addenda may result in the proposal being rejected by the County.

J. Acceptance and Award of Proposal

The County reserves the right without prejudice to reject any or all Proposals and to determine in its own best judgment the firm best qualified to undertake this assignment. The lowest cost or any submission will not necessarily be accepted. The Municipality is not liable for any costs incurred by the respondents in the preparation of their response to this Request for Proposal.

The County reserves the right to negotiate with each Consultant and request a revision of their bid, to add or subtract items, to change mandatory items, to submit a better proposal if all Proposals received exceed our projected budget price.
K. Requirements at Time of Execution

Subject to an Award of the Proposal by the County the successful Consultant shall be required to submit the following documentation in a form satisfactory to the County for execution within seven (7) days after being notified in writing to do so by the County:

- Certificate of Clearance from Workers’ Compensation Board;
- Evidence of general liability, professional liability, automobile, equipment, public liability and property damage insurance in a form satisfactory to the County;

L. Ownership

Once completed, all documentation and information, pertaining to this assignment becomes the property of the County.

M. Confidentiality

The consultant agrees to preserve the confidential nature of any information received from the County and from any agent of the County, or developed during the performance of the Agreement ("Confidential Information") and shall not disclose any confidential information to any person or entity during or after the performance of the Agreement.

N. Conflict(s) of Interest

By virtue of the Consultant submitting a proposal, the Consultant hereby declares the following:

- that no person, firm or corporation other than the Consultant has any interest in this; and further;
- that this Proposal is made without any connection, comparison of figures, or arrangements with, or knowledge of, any other corporation, firm or persons making a tender for the same work and is in all respects fair and without collusion or fraud; and further that;
- that no member of the County and any other officer or employee of the County is or will become interested directly or indirectly in the proposed Contract. The Consultant agrees that this Proposal will be included in a formal contract to be prepared and executed.

O. Rights Reserved by The Corporation of the County of Prince Edward

Submission of a proposal indicates acceptance by the firm of the conditions contained in this request for proposal unless clearly and specifically noted in the proposal submitted and confirmed in the contract between the County and the firm selected.

P. Consultant’s Obligation to Examine

It is understood and agreed that the Consultant has, by careful examination, satisfied himself/herself as to the nature of the work, the character, quality and quantity of the task, the general and local conditions, and all other matters which can in any way affect the work under this Agreement.
The Consultant is directed to carefully examine the scope of work and to make special inquiry of any details the Consultant is uncertain of and to make further personal inspection and investigation, as the Consultant may deem proper to determine the correctness of the information so obtained. The County does not ensure the accuracy of such information and the Consultant will not make any claim against the County for damages or extra work caused or occasioned by the Consultant’s relying upon such records, report or information, either as whole or in part, furnished by the County or any municipal department or commission, private company or individual.

Q. Commencement of Assignment

The work will not be permitted to commence until the standard MEA/CEO Agreement for professional services has been executed and a satisfactory Occupational Health and Safety Plan has been submitted.

R. Occupational Health and Safety

Employer Obligations:
By entering into this Agreement, the Consultant acknowledges its responsibility to meet all of the employer obligations under the Occupational Health and Safety Act (OHS Act) and shall ensure that all work is carried out in accordance with the OHS Act and all applicable regulations. This includes, but is not limited to, the duties to: provide a safe workplace; provide information and educate workers on workplace hazards; appoint a competent supervisor; prepare and provide a health and safety policy, implement a comprehensive health and safety program to support the policy and take every reasonable precaution to protect the safety of workers.

Competent Supervisors:
The Consultant shall ensure an adequate number of supervisors are provided and they all satisfy the definition of “competent” as prescribed in the OHS Act.

OHS Reports/Notifications:
In the event of (i) an accident causing death, (ii) critical injury (as prescribed by O. Reg. 834, R.R.O. 1990, as amended), or (iii) disabling injury to the Consultant’s employee, the Consultant shall notify the County immediately and forward a report within five (5) days of such event.

Notification of MOL Orders/Charges:
The Consultant shall immediately notify the County of any MOL orders or charges issued to the Consultant. Copies of all MOL orders or charges shall be provided immediately to the County.

Workplace Safety Insurance:
The Consultant is responsible for all costs associated with workplace accidents and all premiums or assessments owing to the Workplace Safety and Insurance Board (WSIB), or insurance company. Upon award of the assignment and as requested by the County during the term of the contract, the Consultant shall furnish evidence of coverage for themselves, their employees, subcontractors and subcontractor’s employees under the Workplace Safety and Insurance Act or insurance policy. The County may withhold payment of such sums of money sufficient to cover any default of the Consultant to the WSIB or insurance company for
premiums or assessments and any costs arising from an accident for income replacement, medical aid or rehabilitation.

**General Duty Clause:**
The Consultant shall take all reasonable precautions to meet the requirements for the protection of workers set out in the OHS Act and the regulations made under it.

**OHS Plan Requirements:**
The Consultant shall be required to have in place a health and safety policy and to implement a comprehensive health and safety program to support the policy. The successful consultant will be required to develop an OHS Plan for this assignment, which must address:

- A valid corporate health and safety policy as prescribed in the OHS Act (Please note: The OHS Act requirement to have an OHS Policy does not apply to employers with 5 or less employees.)
- The Consultant’s provisions for ensuring that an adequate number of supervisors are provided and that they all satisfy the definition of “competent” as prescribed in the OHS Act.
- The Consultant shall identify the hazards inherent to the work and describe how these hazards will be managed.
- The information and/or instructions that are to be provided to employees to ensure that all employees are informed of the hazards inherent to the work and understand the procedures for minimizing the risk of injury or illness.
- The Consultant shall describe their procedures for responding to violations identified by the County or the Ministry of Labour under the OHS Act and for fulfilling the notification requirements specified in the contract (e.g. critical injuries, fatalities and MOL Orders).
- The Consultant’s standards for traffic control for work operations and emergencies to ensure public and employee safety.

**Stop Work Provisions:**
The County may stop the work of the Consultant if a contravention of the OHS Act or its regulations is identified and there is an immediate danger to the safety of a worker. This direction will stand (at no additional cost to the County), until the Consultant addresses the contravention and reports back to the County.

If it appears that the Consultant or its employees are violating the OHS Act or its regulations, not following safe work practices, or not performing their proper functions the County shall advise the Consultant immediately, in writing, of the contract requirements and the County’s expectations. The Consultant shall then investigate and correct such default.

**Subcontractors / Sub-consultants:**
The Consultant shall ensure that all subcontractors (hired by the Consultant) work in accordance with the OHS Act and its regulations. At a minimum, the Consultant shall include in any of its agreements with subcontractors, the ability to terminate such subcontractors for non-compliance with the OHS Act or its regulations, with the rules and policies of the Consultant or for failing to protect the safety of its workers.

**Statutory Declaration:**
The Consultant must be in a position to sign the Occupational Health and Safety Statutory Declaration Form, a copy of which is provided in Schedule A, prior to commencement of the
work. This form certifies that the signatory fully understands and intends to fulfill its obligation as “employer” as prescribed in the OHS Act and its regulations.

S. Accessibility for Ontarians with Disabilities Act

In accordance with Ontario Regulation 429/07, Accessibility Standards for Customer Service every provider of goods and services shall ensure that every person who deals with a member of the public or participates in the developing of the County’s policies, practices and procedures governing the provision of goods and services to members of the public, shall be trained as follows:

1. How to interact and communicate with persons with various types of disability.
2. How to interact with persons with disabilities who use assistive devices or require the assistance of a guide animal, or a support person.
3. How to use equipment that is available on the premises that may help in the provision of goods or services.
4. What to do if a person with a particular type of disability is having difficulty accessing the provider’s goods or services.
5. Information on the policies, practices and procedures governing the provision of goods and services to people with disabilities.

Contract employees, third party employees, agents and others who deal with members of the public on behalf of the County of Prince Edward must meet the requirements of Ontario Regulation 429/07 with regard to training. If a training policy is not yet in place, please go the following link, complete the training module and provide a copy of the Certificate to the County of Prince Edward.

http://www.mcss.gov.on.ca/mcss/serve-ability/splash.html

Acknowledgment Form

The Consultant must be in a position to sign the Accessibility for Ontarians With Disabilities Act Acknowledgment Form, a copy of which is provided in Schedule A1, prior to commencement of the work. This form certifies that the signatory fully understands and intends to fulfill its obligation as “employer” as prescribed in the Act and its regulations.

T. Harmonized Sales Tax

All applicable Harmonized Sales Taxes shall be included in the lump sum prices bid.

U. Insurance

Insurance requirements shall be in accordance with the insurance provisions described below in this Contract. The Consultant will forward to the County a completed Certificate of Insurance prior to commencement of the assignment. This Certificate of Insurance shall provide evidence that the following applicable insurance is in force. The Certificate shall also provide for 30 days prior notice to the County of any alteration, cancellation or change in policy terms which reduce coverage. The cost of such insurance will be the responsibility of the Supplier/Contractor.
(i) General Liability Insurance

The successful Consultant will effect at his/her own expense (including the cost of deductibles) and maintain and keep in force during the term of this agreement, insurance coverage naming the County as an insured, including a cross-liability provision in favour of the County, against claims for personal injury, death, property damage or loss, arising from an accident or occurrence relating to this agreement, in an amount of not less than Two Million Dollars ($2,000,000.00) in respect of each claim or occurrence.

(ii) Professional Liability Insurance

The successful Consultant will effect at his/her own expense and be required to maintain and keep in force during the term of this agreement, Professional Liability Insurance coverage in an amount not less than Two Million Dollars ($2,000,000.00) in respect of each claim or occurrence. Such insurance shall provide coverage for all errors and omissions made by the professional in the rendering of, or failure to render, professional services in connection with the Contract. Upon completion of the work the policy shall remain in force for twenty (24) months. The successful Bidder must confirm that any property damage, personal injury or bodily injury resulting from an error or omission is considered an insurable loss whether coverage is under the General liability policy or the Professional Liability Policy.

V. Definitions and Interpretations

1. Purchasing By-law: Proposals will be called, received, evaluated, accepted, and processed in accordance with the Municipality’s Purchasing By-law and Procedures (copy available upon request). By submitting a Proposal each Consultant agrees to be bound by the terms and conditions & definitions of that By-law and those Procedures and any amendments to them, as fully as if it were reproduced and attached to this RFP. Copies are available by visiting the County’s web-site at http://www.pecounty.on.ca/purchasing.html.

2. Interpretation: The following rules of interpretation apply:
   a) Each reference to Provincial legislation in this RFP, unless otherwise specified, is a reference to the Revised Statutes of Ontario, 1990 edition, and, in every case, includes all applicable amendments to the legislation, including successor legislation.
   b) The words “shall”, and “will” used in this Tender denote imperative.
   c) The word “and” is an inclusive conjunction, the use of which indicates that all items or phrases in the subsection, article, or list in which it appears are permitted or required, as the case may be. The word “or” is an alternate conjunction, the use of which indicates that alternate or optional items or phrases in the subsection, article or list in which it appears are permitted or required, as the case may be; however, notwithstanding the foregoing, where the context permits, the word “or” may also be an inclusive conjunction having the same meaning as the word “and”.

W. Indemnification

a) The Consultant agrees that it will continuously save, keep harmless and fully indemnify the Municipality, its elected officials, employees and agents and its successors and assigns, from and against all actions, claims, and demands whatsoever which may be brought against or made upon the Municipality and the Consultant also agrees that it will continuously save, keep harmless and fully indemnify the Municipality, its elected officials, employees and agents and its successors and assigns, against all types of losses, liabilities, claims, costs or expenses which the Municipality may incur resulting from or arising out of the Consultant’s failure to exercise reasonable care, skill or diligence in their performance or rendering of any Services or Services to be performed or rendered by the Consultant, pursuant to the Contract.

b) The Consultant shall indemnify the Municipality from all claims arising out of unpaid accounts relating to the Contract. The Municipality shall have the right at any time to require satisfactory evidence that the Services (or any part of it) in respect of which any payment has been made or is to be made by the Municipality is free of and clear of construction or other liens, attachments, claims, and demands, charges or other encumbrances.

X. Inquiry

a) All inquiries regarding this RFP shall be directed, in writing, to the attention of Amanda Carter, Director of Finance via fax at: (613) 476-7622, or by email to acarter@pecounty.on.ca. A fax cover sheet, entitled “Questions for Clarification” is included for the Consultant’s convenience.

b) Any inquiries will be responded to in writing. Any clarification shall not alter the Proposal. Oral arrangements or discussions cannot be relied upon.

c) If during the period prior to submission of Proposals, the Municipality determines, in its sole and unfettered discretion, that part of the Proposal requires formal amendment or clarification, written addenda to this Proposal will be produced and distributed to all known Consultants. In that case, the Proposals shall identify the addenda and indicate how they respond to them. The Consultant shall list and attach any addenda that were considered when the Proposal was prepared. Failure to execute and return any and all addenda issued by the Municipality will result in the Proposal being deemed as improper.

d) Consultants attempting to contact Municipality staff or elected officials other than the contact indicated in this RFP in subsection a) above, for whatever reason, during the Proposal or evaluation process, are advised that such action may result in their disqualification from the process and removal of their name from the Bidder’s List. If consultation is deemed to be necessary by the Municipality, a pre-proposal meeting of all Consultants and Municipality staff will be arranged at a location of the Municipalities choosing. The Municipality reserves the right to change the deadline for submission, if necessary, to accommodate such a meeting.

e) Although The Corporation of the County of Prince Edward will make every reasonable effort to ensure a Consultant receives all addenda issued, it is the Consultant’s ultimate responsibility to ensure all addenda have been received.
f) All references to Consultants include all staff from the proposing organization as well as all Consultants and sub-consultants that the proposing organization may hire to supply the Services.

g) A consultant may submit a question by fax, and request that the question and answer not be circulated to other consultants. The Corporation of the County of Prince Edward will determine if the question points to an error or shortcoming in the RFP. If that is the case, The Corporation of the County of Prince Edward reserves the right to ignore the consultant’s request, and will notify all interested consultants of the error and what corrective action to take. If the information is not critical, but The Corporation of the County of Prince Edward judges it fair to circulate the answer to all consultants, the enquiring consultant will be given the opportunity to withdraw the question. If none of the above conditions exists, and the question reveals a consultant’s unique proposal strategy, The Corporation of the County of Prince Edward will honour the consultant’s request and respond only to the enquiring consultant.

SECTION 4: SCOPE OF WORK

A. General Objective

The general objective of this assignment is to complete the preliminary and detailed design for the rehabilitation of County Road 49. The rehabilitation shall include approximately 17.3 kilometers of existing rigid concrete two-lane roadway including drainage and roadside safety improvements. The rehabilitation scope shall extend from 45m north of Folkard Lane at Picton to the southern limits of the Bay of Quinte Skyway Bridge. The Consultant is expected to provide the preliminary and detailed design, including plans and specifications for the entire 17.3-kilometer roadway rehabilitation. However, at this point it is expected that a phased construction plan with segments reflecting annual budget stipulations and logical construction break points will be implemented. Due to the undetermined construction phasing, Consultants are being requested to provide tender ready documents only that would be adaptable for implementing a phased construction program for the project. The tendering of the project is not part of this RFP.

Consultants are not being requested to submit Contract Administration proposals as part of this RFP. Consultants may be requested at a later date to provide a Contract Administration proposal once funding and phasing for construction has been determined.

The consultant shall undertake all work to complete this assignment including, but not limited to the following:

- Provide site surveying to facilitate the preparation of full scale (Horiz. 1:500, Vert. 1:50) construction plans as part of the contract documents. Plans shall include all existing surface detail (culverts, roadside ditches, guide rail, signage, trees etc.) within the road allowance as well as details (plan and profile) for any existing storm sewer systems.
- Provide terms of reference and conditions to enable the County to request quotations for any legal survey work that may be required as part of this assignment. The County will be responsible for awarding the assignment for such work and for payment of costs for the legal surveys. The consultant will be responsible for all costs involved in coordinating any legal work on behalf of the County once a firm has been selected by the County.
- Review the Geotechnical Investigation Report (Schedule D) prepared by Englobe Corporation and advise the County should any additional geotechnical work be required. Provide terms of reference and conditions to enable the County to request quotations for the additional geotechnical work if required for this project. The consultant shall be responsible for all costs involved in coordinating the additional geotechnical work on behalf of the County once a geotechnical firm has been selected by the County. The County will be responsible for the cost of any additional geotechnical work if required.
- The Consultant shall provide terms of reference and conditions to enable the County to request quotations for an Excess Soil Destination Assessment Report in accordance with the O. Reg. 406/19: On-Site and Excess Soil Management by the Ministry of Environment, Conservation and Parks. The report shall outline the interpretation and summary of the results of the geotechnical investigation and include recommendations regarding the on-site handling and disposal of the excess material for incorporating into the final tender documents. The consultant shall be responsible for all costs involved in coordinating the work on behalf of the County once a firm has been selected by the County. The County will be responsible for the cost of the study and/or report.
• Provide terms of reference and conditions to enable the County to request quotations for any Archaeological Study or Species at Risk Assessment that may be required for this project. The consultant will be responsible for all costs involved in coordinating such work on behalf of the County once a firm has been selected by the County. The County will be responsible for the cost of the Study or Risk Assessment.

• Provide cross sections at regular intervals for the full width of the road allowance at a scale acceptable to the County.

• Determine the size and evaluate the condition of all road cross culverts, concrete box culverts and driveway culverts and include recommendations for repair or replacement and any increase in sizing required.

• Include an assessment of the condition of existing roadside drainage ditches and provide recommendations as required for re-ditching, grade alterations or re-alignment and include such recommended work in the final design of the project.

• Review the geometrics of all intersections and include details for improvements required in the final design.

• Complete an evaluation of the condition of all existing guide rail systems, provide recommendations for replacement as necessary for compliance with current Provincial standards and where applicable include such work in the final design.

• Include an assessment of the width of the existing road platform and shoulders and provide recommendations for widening if required and the incorporation of bicycle lanes.

• Consult with the local Conservation Authority and other Provincial and Federal agencies as necessary regarding impact of the proposed work on any existing watercourse.

• For purposes of this proposal the Consultant shall consider two rehabilitation options:
  1. Rubblize existing rigid concrete roadway and replace with Hot Mix Asphalt (HMA) pavement.
  2. Rubblize existing rigid concrete roadway and replace with Portland Cement Concrete (PCC) pavement.

• Address the impact of the County Road 49 Rehabilitation project on traffic during construction, access for property owners, and the need for detouring etc.

• The Consultant shall complete a Preliminary Design Phase and a Detailed Design Phase.

• The Preliminary Design Phase will review the existing background material available, undertake field surveys and on-site investigation and prepare three copies of a Preliminary Engineering Design Report for review with the County by the Consultant before proceeding with the Detailed Design. A Preliminary Design Report shall be prepared to evaluate the two rehabilitation options identified above, including cost estimates as well as advantages and disadvantages for each option. The consultant shall include their recommended option in the report. Three (3) copies of this report shall be provided.

• Once the County has reviewed the Preliminary Design Report and selected the preferred rehabilitation strategy, the consultant will receive instruction to proceed with the Detailed Design Phase. This will include proposed detailed plans, specifications, quantities and cost estimates, any formal approvals required and contract documents for tendering. Three (3) copies of the final design report shall be provided.

• Provide construction cost estimates with the final report.

• Allow for a minimum of 6 meetings with the County during the design process which shall include a Start-up Meeting. The meetings will be at the Development Services office and minutes shall be recorded by the consultant and distributed within seven days of the meeting date.

• Make appropriate arrangements, prepare all required documentation and conduct one (1) Public Information Center. The County will provide a site for the meeting.
• Provide one (1) digital copy of tender ready documents and plans to the County. The one (1) digital copy of the tender ready documents shall be in Word Format along with a copy of the proposed plans in AutoCAD format and PDF. The tendering process is not part of this RFP.

B. General Requirements

Each Respondent’s proposal submission shall include the following for each component of the assignment:

• A description of the consultant’s understanding of the work proposed;
• Methodology for undertaking the work;
• Detailed work plan and time schedule;
• Identification of any proposed use of County staff and/or resources.

C. Format

All submissions should be structured as outlined below in order to facilitate review and evaluation. Text shall be “Verdana” font in a font size of “10” or larger, with exception of the organizational chart, stock brochures and promotional literature. Curricula vitae and promotional literature, including stock brochures, photographs, etc. may be included as Appendices.

D. Methodology

Include a detailed discussion of the team’s approach to the project and methodology for carrying out the assignment, including the means by which the requirements of Ontario’s Environmental Assessment Act will be met and the Schedule of the Act that the Consultant suggests this Project will come under.

The Consultant shall follow the procedures and guidelines outlined in the MEA Municipal Class Environmental Assessment (Class EA). The Consultant will supply all display materials and information packages for conducting a Public Information Centre if required in the consultant’s opinion to satisfy the applicable Schedule requirements of the Class EA. The Consultant shall review the requirements for any additional studies that may be required and indicate the proposed method for addressing such studies and the cost implications to the County associated with such work.

The Consultant may utilize sub-consultants for specialized areas of study as required by the EA process. All sub-consultants shall be identified including principals and key personnel and a brief description of their designated assignments and contributions to the project shall be included in the technical proposal.

The Consultant shall be fully responsible for the organization, supervision and integration of all activities performed by the sub-consultants.

E. Work Plan Schedule

Each Consultant’s proposal submission shall include a Gantt Chart of the proposed project schedule in Microsoft Project 2000 format. All key milestone dates for the Study must be detailed. The Proposal shall include a detailed work plan table showing the allocation of hours estimated for all of the consultant’s staff and sub-consultants if applicable who will be employed on each segment of the
assignment from the start of the project until completion of the final design and tender ready documents. Hourly rates shall be included for each staff shown along with expected disbursements so that the totals will equal the Upset Limit.
