

COUNTY OF PRINCE EDWARD MASTER SERVICING FOR WATER, SANITARY, STORMWATER SYSTEM AND INTERNAL ROAD IN EAST PICTON

MUNICIPAL CLASS ENVIRONMENTAL ASSESSMENT NOTICE OF PUBLIC INFORMATION CENTRE

The County of Prince Edward is undertaking a Master Plan for Water, Sanitary, Storm water and Internal road in East Picton. The Master Plan will consider and evaluate alternatives and identify the preferred drinking water distribution, sanitary sewage collection, storm water management as well as roadways.

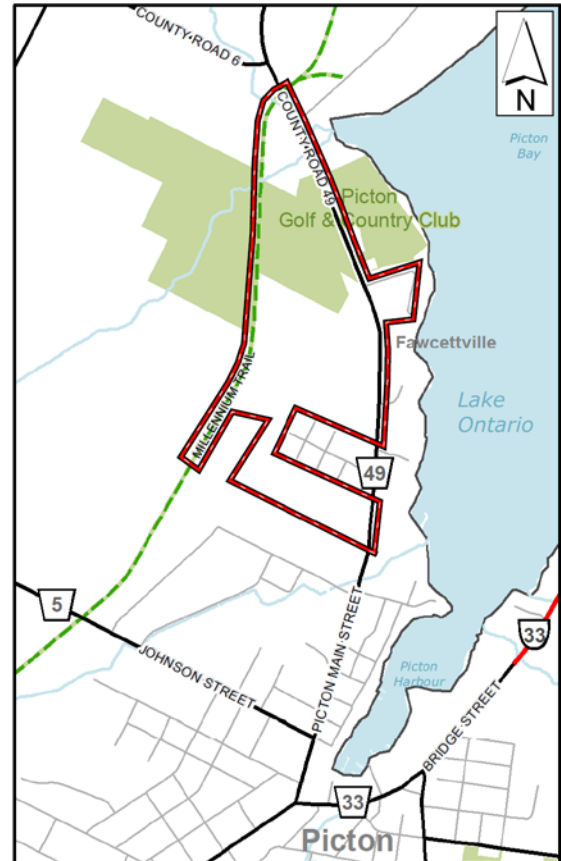

This study is being carried out in accordance with the Master Plan provisions of the Municipal Class Environmental Assessment (Municipal Engineers Association, June 2000, as amended in 2007 & 2011) and the Picton Urban Centre Secondary Plan (Official Plan Amendment No. 63), which came into full force and effect on July 7, 2015.

As part of the Master Plan process, phasing of implementation of various related projects will be developed. Based on this phasing, this study will also meet the Municipal Class Environmental Assessment requirements for selected Schedule B projects.

Public Consultation is important to the success of this Master Plan. As such, we welcome public input and comments at the upcoming **Public Information Centre (PIC) on Wednesday, November 16th, 2016 from 4pm – 8pm at the Prince Edward Community Centre (Rotary Club of Picton Hall) at 375 Main Street, Picton, Ontario.**

At the completion of the planning process, the Master Plan and project file for the applicable Schedule B projects will be filed for public review. Subject to comments received and the receipt of necessary approvals, the County of Prince Edward intends to proceed with the construction of this project.

For further information relating to this project, please contact either of the following members of the study team.
